

ANTRIM COUNTY ROAD COMMISSION

POLICY 020

SUBJECT: PUBLIC UTILITY EMERGENCY WORK DURING WEIGHT RESTRICTION NOTIFICATION

I. PURPOSE

To establish a policy requiring public utility companies to notify the Road Commission of work done requiring the movement of overweight vehicles on restricted roads.

II. CONTENT

- A. State law exempts public utility companies from weight restrictions for emergency work. This law also allows Road Commissions to require the company notify the Road Commission as soon as possible of the move.
- B. A public utility company shall notify the Antrim County Road Commission as soon as practical of any move made during any period of weight restrictions on restricted roads. The company shall indicate all roads traveled, all vehicles involved including subcontractors vehicles, the location of work and the date of all moves made.
- C. The public utility company shall be liable for all damage to the roads resulting from the movements of vehicles and work done.

III. RESPONSIBILITY

- A. The Manager is responsible for administering this policy.
