REQUEST FOR BIDS – AFTON STONE

Sealed bids will be received until **1:00 PM, Tuesday, May 14, 2013**, at which time they will be publicly opened and read. Bids shall be received at the office of the Antrim County Road Commission, PO Box 308, 319 E Lincoln St, Mancelona, Michigan 49659-0308. Bids will be tabulated and a recommendation will be made to the Board of County Road Commissioners at their next regular meeting.

The Antrim County Road Commission (ACRC) requests bids for MDOT 23A Afton Stone (crushed limestone from Afton, Michigan area) for the following requirements:

- 1) Price per ton at bidder's pit. Please provide pit location. Price shall include loading onto ACRC trucks.
- 2) Price per ton delivered to each of the following locations:
 - a. Mancelona Garage
 - b. Central Lake Garage
 - c. Kewadin Garage
 - d. Atwood (corner of Byers Road and US 31)

Delivery shall be coordinated with ACRC management.

Quantities are not yet determined. Deliveries to all locations may not be needed. ACRC will provide equipment and personnel to push up stockpiles as needed. Each load shall have computer generated weight tickets.

- 3) Price per ton delivered and spread on jobsite using V type live bottom trailers **AND/OR** doubles (trains). It is the contractor's responsibility to determine what type of delivery truck is best suited for the road to be delivered to. Gravel to be spread between stations set by ACRC to obtain the required amount of gravel for the specified thickness and set according to the average size load delivered. Gravel may be spread in one windrow as long as it is within the predefined area marked by ACRC. Successful bidder shall coordinate delivery with ACRC. ACRC shall provide all equipment and personnel for any necessary traffic control and grading and compacting of gravel.

Successful bidder shall supply enough trucks to deliver and spread a minimum of 750 tons per day. Delivery on site shall not begin before 6:30 AM and last load shall be unloaded no later than 4:00 PM, Monday through Thursday. Delivery at any other time is not allowed unless prior arrangements are made with ACRC management.

Price shall include all time required for delivery and spreading. No extra compensation will be paid for delays in unloading material. Each load shall have computer generated weight tickets.

- a. Cinder Hill Road, located Star Township, beginning at Kregulka Rd thence south 5,500 feet. Approximate quantity is 2865 tons.

Material test records shall be provided upon request. ACRC may sample and test any or all gravel provided.

Bids will be awarded separately for each part. Some parts may not be awarded.

Bids shall be submitted on the attached bid submittal.

NOTE: Sources of crushed limestone from other areas will be considered. Award of bid will be based on ACRC's determination of material suitability.

Label bid "**AFTON STONE BID**" plainly on the outside of a sealed envelope.

The Antrim County Road Commission reserves the right to accept or reject any or all bids, to waive any irregularity or defect in a bid, or to accept that bid which in the opinion of the Road Commission is in the best interest of the county.
